

36 Years of Customer Relationships

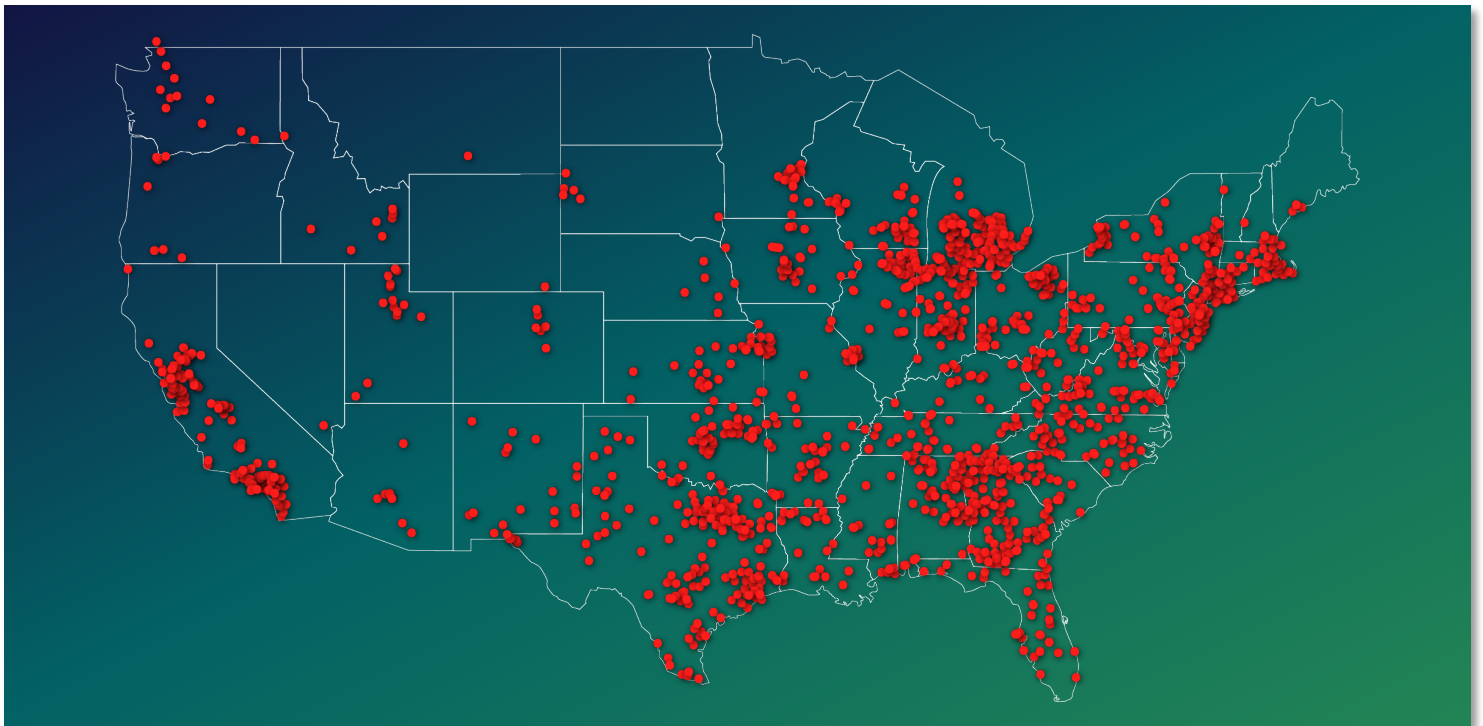

Our work optimizing 25,300 buildings has made a difference for over 2,000,000 students

Our Promise

- Maintain optimal learning environment
- Resources for better student outcomes
- Lighten staff workload
- Reduce carbon footprint
- Provide recurring source of funding for strategic priorities
- Mitigate increased utility costs

Our Results

- Decades-long customer relationships
- National recognition from EPA ENERGY STAR
- Billions saved for education
- Environmental and financial stewardship
- Positive effect on climate change
- Millions taught sustainability best practices

Energy conservation that counts.

Cenergistic®

OPTIMIZING ENERGY PERFORMANCE™
